Our Doors

THE CHOICE YOU MAKE IN SELECTING YOUR NEW INSULATED COMPOSITE DOOR IS IMPORTANT, AS YOU WANT IT TO SERVE YOU WELL FOR MANY YEARS TO COME.

Appearance

Your door must look good and be aesthetically pleasing. Think about:

- Door Style
- Door Colour
- Choice of Decorative Glass

Security

All important in protecting your home from unwanted visitors.

You need:

- Impact resistant GRP with rigid polymer subframe
- High-density polyurethane foam core
- Proven to PAS24 Security standard, essential for achieving 'Secured by Design' endorsement*

Weatherproof

A must to keep the elements at bay! It must have:

- A waterproof door leaf
- A high performance, weather resistant, glazing system
- Weather performance, proven to BS6375 - 1 Classification, for weather tightness, air, wind and water

Heat Insulation

Keeping your home insulated and your bills down. You require:

- A high performance insulating core
- High performance insulated glass units
- A door that exceeds Approved Document L of the Building Regulation requirements

Sound Insulation

Protecting you from external noise.

It must have:

- Baffling against noise with a high performance insulating core
- At least Outdoor-Indoor Transmission Class (OITC): 26db
- At least Sound Transmission Class (STC): 29db

Durable

A door with pedigree - tried and tested for over 20 years. It needs:

- Strength from its construction
- High impact resistant door skins
- Stability, whatever the weather conditions

Stable Door

All our Cottage Doors shown are also available as a Stable Door option.

It is not, as so often is the case, a Cottage door that has been cut to form the upper and lower portions. It is constructed specifically with a mid-rail so that when cut through, it forms two leafs. Each leaf is completely surrounded by a rigid subframe providing stability and security, as well as weather protection.

PILKINGTON

Textured Backing Glass Options

With our Destiny, Diamonds, Fleur and Vintage decorative glazing designs, we recommend that a textured backing glass is used to add an extra level of privacy. We offer the complete range of Pilkington textured glass and you can also specify any of these textured backing glasses for use with our side panel and top light frames.

Due to the limitations in photographic and printing processes, actual colours may vary from those illustrated in this brochure and should be used for guidance purposes only. We reserve the right to alter specifications without prior notice. Glass photography supplied courtesy of RegaLead Limited. Door photography supplied courtesy of Distinction Doors Limited.
